## LIVE GENEROUSLY

Let's celebrate an LG Grant recently approved for the Jew family. Jason and Erin will be leading a Global Student Training program this summer in Colorado. They'll be spending 8 weeks training and equipping students from around the world on how to be disciples for Jesus in their home countries. The LG Grant will go towards providing basic necessities for the students like toiletries, special food needs, and volunteer clothing. Let's pray for the Jew family during their journey.

### Communion

Don't forget - we take communion every Sunday! Communion baggies are available on the black tables at the back and side of the worship center. Feel free to grab them before or during service.
