Care Communities Orientation

Join us THIS MORNING at 9:30 am in the conference room to have a Q&A session followed by an orientation on Care Communities. We have a family in need of a care community. Join us to get more information or to sign up. Volunteers in these care communities support foster, adoptive, and kinship families who work together to provide prayer, bring a meal once a month, childcare, transportation, and other family needs that may arise. Contact Stacy Lunn at lunnsta@yahoo.com for more information.

Mission Spotlight

Miriam Center in Haiti

The Miriam Center is a special needs orphanage in Haiti, that is part of Northwest Haiti Christian Mission. The neurology team treats and follows 100+ patients, including children in the orphanage and in the community. The team continues to do monthly virtual clinics to manage their patients' healthcare. Praise that the "store" that 5 of the older patients have opened is thriving. They are excited to have a purpose and to earn money working. Please also pray for peace in Haiti.

Parkside Kids

Kids Memory Verse

"My house will be called a house of prayer for all nations." - Mark 11:17

Baby Dedication

We are excited to celebrate Baby Dedication on Sunday, April 19th, during both services. Baby Dedication is a special time for parents to publicly commit to raising their child in the love and truth of Jesus, and for our church family to commit to supporting and praying for them. If you are interested in dedicating your child, we would love to celebrate this meaningful milestone with you. Reach out to Lou at Lindsey.b@parksidechristian.com for more information.

Parkside Students

Sunday School

Join us every Sunday Morning during the first service in the West Gym for Student Sunday School. We will continue our Numbers and Deuteronomy study.

Join the Journey!

Join us as we journey with Jesus toward Jerusalem in a special sermon series that invites us to slow down, pay attention, and let His path shape our own. Each week we'll walk alongside Christ as He teaches, heals, confronts, and ultimately offers Himself for the life of the world. This is a season to reflect deeply, to rediscover the heart of the gospel, and to allow the cross—and the love that carried Him there—to form us as His people. As we follow His steps, may we find renewed faith, deeper surrender, and fresh hope in the One who leads us to resurrection.

This journey is also an opportunity to widen the circle. Many around us are longing for hope, community, and a place to belong—especially as Easter approaches. We encourage you to extend a warm invitation to friends, neighbors, coworkers, and family members to join us for this series and to experience the joy of Resurrection Sunday at Parkside. A simple invitation could open the door for someone to encounter Christ in a life-changing way.

Parkside's

Testimony Invitation

Every follower of Jesus has a story worth sharing. Scripture tells us to "always be ready to give an answer" for the hope we have, and one of the simplest ways to do that is through your personal testimony. As a church family, we want to celebrate the work of Christ in the lives of our partners—and we'd love to hear your story.

Parkside is inviting every partner to create their three-minute testimony, using a simple and meaningful pattern:

Minute One — Before Christ

- Describe what life was like before you met Jesus. What were you searching for? What struggles, questions, or needs shaped your life?

Minute Two — Meeting Christ

- Share what led you to Him. What opened your heart? Who influenced you? How did you come to the moment of inviting Christ into your life?

Minute Three — Life in Christ

- Tell how your life has changed since following Him. What difference does Jesus make in your daily walk? What hope, peace, or purpose do you now experience?

You can record your testimony on your phone (use landscape view) and send the video to jacob@parksidechristian.com. If you prefer, we can record it for you here at Parkside — email Jacob with a request for a time.

Your story matters. Your testimony encourages others. And together, these stories will help strengthen the faith and unity of our church family.
